

Monthly Scam Prevention Checklist

Use this checklist to help protect yourself from scams and identity theft. Small habits practiced throughout the month can make a big difference.

Date: _____

Phone Safety

- ☐ I did not provide personal or financial information to unexpected callers.
- ☐ I hung up on suspicious or high-pressure phone calls.
- ☐ I verified any unexpected requests by calling the organization directly.

Email & Text Safety

- ☐ I did not click on suspicious links.
- ☐ I ignored messages asking for passwords or verification codes.
- ☐ I deleted suspicious emails and text messages.

Internet Safety

- ☐ I only visited websites that I know and trust.
- ☐ I looked for the padlock icon () before entering any personal information online.
- ☐ I avoided downloading files from unknown sources.

Financial Safety

- ☐ I reviewed all my bank and credit card activity.
- ☐ I looked out for any unfamiliar charges or withdrawals.
- ☐ I did not send any money to someone unknown.

Personal Information

- ☐ I did not share my Social Security number, Medicare number, passwords, banking, or any other personal information with anyone who unexpectedly contacted me.
- ☐ I kept all important documents in a secure location.

Safe Decision-Making

- ☐ I took my time before making important financial decisions.
- ☐ I spoke with a trusted contact if something seemed suspicious to me.
- ☐ If something did not feel right, I stopped and verified the situation before taking action.

This month, in scam prevention, I learned about:

Questions or concerns I want to discuss with a trusted person:
