

Monthly Financial Review Checklist

Complete this checklist each month to help monitor your finances and identify potential signs of fraud or identity theft.

Bank Accounts

- ☐ Reviewed all checking account transactions
- ☐ Reviewed all savings account transactions
- ☐ Verified recent deposits and withdrawals
- ☐ Confirmed all account balances appear correct
- ☐ No unfamiliar transactions were found

If you noticed unusual activity, write it here:

Credit Cards

- ☐ Reviewed all credit card statements
- ☐ Verified recent purchases
- ☐ Confirmed there were no unauthorized charges
- ☐ Reported any suspicious transactions

Automatic Payments

- ☐ Reviewed automatic bill payments
- ☐ Confirmed recurring charges are still accurate
- ☐ Canceled any subscriptions no longer needed

Account Security

- ☐ Reviewed recent account alerts or notifications
- ☐ Changed passwords if necessary
- ☐ Verified two-factor authentication is enabled (if available)
- ☐ Logged out of accounts on shared or public devices

Scam Awareness

- ☐ Reviewed recent scam alerts from trusted sources
- ☐ Did not respond to suspicious notifications
- ☐ Verified any unexpected requests before responding
- ☐ Blocked and reported any suspicious contacts

Personal Information

- ☐ Shredded documents containing personal information instead of recycling or throwing them away
- ☐ Stored important financial documents in a secure location like a safe
- ☐ Confirmed emergency and trusted contact information is up to date

This Month's Financial Goals

Check any goals you completed.

- ☐ Reviewed all financial accounts
- ☐ Updated important records
- ☐ Organized financial paperwork
- ☐ Continued learning about scams targeted to older adults
